

Upper Extremity Fellows Summit

Upper Extremity Fellows Summit

On behalf of Jorge Orbay, MD and the Skeletal Dynamics team, we cordially invite you to join us for the annual Upper Extremity Fellows Summit. This program is designed for fellows interested in innovative treatment options for upper extremity fracture management and complex reconstruction procedures.

2020 Course Location and Date

MIAMI, FL April 17-19, 2020

Topics

- Management of simple and complex fractures of the hand and wrist, as well as soft tissue management for optimal outcomes
- Kinematics and biomechanics of the forearm and how the soft tissues affect elbow function
- Radial head fixation and arthroplasty treatment options
- Innovative treatment approach to elbow instability
- Olecranon and coronoid fracture management options

Schedule

- **FRIDAY EVENING:** Dinner & Welcome Reception from 7:30pm-9:30pm
- **SATURDAY:** Fellows Summit Program from 7:00am-5:00pm, Dinner from 7:00pm-9:30pm
- **SUNDAY:** Fellows Summit Program from 8:00am-1:00pm

Format

- Didactic Presentations
- Fireside Style Case Discussions
- Interactive Q & A Sessions
- Hands on Cadaveric Workshops
